Spirit DL Liftback

Spirit Limited Liftback
& GT Package

Lift your Spirit to a higher level of comfort, convenience and luxury. Experience Spirit Limited.

SPIRIT LIMITED LIFTBACK

In addition to, or in place of Spirit base and DL model features (see Specifications page), Spirit Limited offers all this:

- Premium bucket seats in genuine leather (beige)
- Custom door trim panels with woodgrain accents, seat trim inserts, lower area carpet and integral map pockets
- Power steering • Tilt steering wheel • Intermittent wipers
- Power door locks • AM radio
- P195/75R14 fiberglass belted radial WSW tires (4)
- Full 18 oz. color-keyed carpeting • Door edge guards
- Dual remote control mirrors • Dual lighted visor vanity mirrors
- Glove box and engine compartment lights
- Liftgate dome light switch
- "Lights-on" warning buzzer

- Full length console with center armrest
- Custom headliner and sun visors • Limited medallions
- Front color-keyed floor mats with carpeted inserts
- Front and rear bumper nerf strips

Left: Spirit Limited Liftback shown with optional pop-up moon roof.
Right: Spirit Limited interior shows carpeted-back rear seat folded down and optional air conditioning.

Catch the Spirit of adventure with the all-new GT package! It looks impressive, acts responsive.

SPIRIT GT

Take the features of a Spirit DL or Limited and give them a dramatic boost:

- Spoke-styled wheels (4)
- "Performance Tuned" exhaust sound (V-8 with manual transmission only)
- Black full-length console with integral center armrest
- Black leather-wrapped sport steering wheel
- Black steering column
- Tachometer
- Black instrument panel with walnut burl woodgrain overlays
- Black bumpers with nerling strips and guards

- Dual black remote control mirrors
- Black exterior trim moldings (windshield and rear window surround, drip rail, belt and "B" pillar overlay)
- Black grille insert, headlight bezels and wiper arms
- Black rear venturi area
- P195/75R14 steel-belted radial BSW tires (4)
- GT medallions

Left and Right: Optional Spirit GT Package — offers a new way to express your personal Spirit.

**Spirit Liftback
Specifications**

FOR YOUR COMFORT AND CONVENIENCE

① **Visibility Group*** — Includes remote-control mirrors on both sides and a 12-inch day/night mirror. Enjoy a greater area of visibility to the rear, more convenience and security when passing or backing up. Night switch offsets headlight glare. (Not available on AMX, which has special mirrors.)

② **Electronic Cruise Control** — Allows you to hold a steady speed without using the accelerator pedal. Disengages with a touch on the brake pedal. Provides driver comfort and helps fuel economy in long-distance highway travel. Available with 6- or 8-cylinder engine and automatic transmission only.

Left Remote Control Mirror — Conveniently adjusts to a variety of positions with inside driver control.

③ **Light Group*** — Dome/map light, glove box light, engine compartment light and courtesy lights.

Extra-Quiet Insulation Package* — Cargo floor carpeting and sound deadeners, rear floor insulation, cowl panel side insulation, lock pillar insulation and sound-deadening undercoating to help

eliminate engine and road noises for even more quiet comfort.

④ **Convenience Group*** — Makes your driving more pleasant and convenient. Includes headlights-on warning buzzer, dual lighted visor vanity mirrors, intermittent wipers.

Front Seat Console — Provides armrest comfort. Available with bucket seats and floor-mounted transmission only. (Standard on Spirit GT and AMX.)

⑤ **Adjustable Tilt Steering Wheel*** — Adjusts to six different driving positions for every driver's individual comfort. Adjusts up and out of the way for easier entry and exit.

Moon Roof — View the sky through a tinted glass panel and pop it up for ventilation or remove it entirely, using the convenient hold-down straps and cover for storage.

Power Steering* — Easier maneuvering at slow speeds and while parking. Delivers responsive road feel at higher speeds.

Electric Rear Window Defroster — With a convenient driver-area control, you quickly defog or clear snow and ice from rear window for improved visibility. Includes heavy-duty alternator and tinted rear glass.

Power Front Disc Brakes — Surer stops in all kinds of weather. Eases brake pedal effort required from standard front disc brakes.

⑥ **Four Season Air Conditioning** — AMC's factory-installed system provides year-round comfort for one and all. Features adjustable louvers and selective air volume and temperature controls. Includes Heavy Duty Engine Cooling System and full-width parcel shelf under the instrument panel. Tinted Glass (all windows), Power Steering and 258 CID Six engine recommended.

Air Conditioning Package* — A complete package for more efficient cooling. Includes Four Season air conditioning, heavy duty engine cooling system, flex fan, tinted glass and power steering.

Tinted Glass - All Windows — Screens sun's heat and glare from vehicle interior for more driver-passenger comfort. Recommended with air conditioning.

The Roof Rack — A highly-popular and practical styling touch, it increases cargo-carrying capacity of the Spirit sedan.

Tailgate Air Deflector — Directs stream of air over the lift window of the sedan to help keep it free from dust and dirt. Its chrome-finished exterior adds a nice styling touch. (Spirit Sedan only.)

FOR YOUR LISTENING PLEASURE

AM/FM Stereo/CB Radio — Full-bodied, push-button stereo sound combined in a single in-dash unit with the fun of 40-channel CB transmitting and receiving. Wherever you go, the world of sound and communication is yours. Includes four speakers for optimum stereo sound balance.

⑥ **AM/FM Stereo Radio** — Static-free, drift-free, long-range reception enhances your listening and driving enjoyment. Features stereo and front to rear balance control, four flush-mount speakers and FM stereo indicator light.

AM Radio* — Push-button, favorite-station convenience paired with reliable all-transistor design. Features automatic gain control to minimize fading.

*Standard with Spirit Limited.

FOR PERFORMANCE TO MEET YOUR NEEDS

- 9 Optional Engine Choices** — For increased power, choose the 258 CID 6-cylinder engine or (for liftback only) the 304 CID V-8. (Not available in California.)
- 10 Automatic Transmission** — Takes the work out of shifting gears with either a column-mounted or floor-mounted shift. Quiet, precise operation which shifts automatically or can be manually shifted through the three forward speed ranges
- Twin Grip Differential** — Automatically transfers driving torque to the rear wheel with the better traction. Helps overcome the effect of wheel spin in mud, snow and ice conditions.
- 11 Gauge Package** — Includes performance-oriented gauges for precise monitoring of amps, oil pressure and manifold vacuum, plus tachometer and clock (Requires 6- or 8-cylinder engine, bucket seats and console. Package is standard on AMX.)

TO HELP PROTECT YOUR SPIRIT

- 12 Locking Gas Cap** — Chrome-finished locking gas cap prevents unwanted entry to your fuel supply. Lock and key arrangement permits quick access for refueling
- Front Bumper Guards** — Helps protect your chrome-finished front bumper against possible scratches and other slight damage from minor bumps. Standard on DL
- Inside Hood Release** — Keeps engine compartment hood securely latched until driver releases it from inside the car. A lot of convenience and security
- Protection Group*** — Door edge guards, front bumper guards, front and rear nerfing strips and front floor mats. A lot of protection that quickly pays for itself
- Protective Inner Coating** — Provides additional corrosion protection. Process consists of application of a corrosion inhibiting film to the following body panels and chassis components: hood inner panel, fender reinforcements, wheelhouses, headlight areas, door posts, doors, rocker panels, underbody, rear quarter panel, chrome trim and molding

areas: liftgate, brake master cylinder, radiator side panels, upper control arms

Bodyside Scuff Moldings — Protective side moldings add accent styling to your doors and fenders while helping to ward off parking lot dings and dents, and prevent paint damage. (Not available on AMX.)

FOR ADDED GOOD LOOKS

- 7 Road Wheels** — Make your new Spirit even more striking with your choice of Turbocast II Aluminum Wheels (standard on AMX), Turbine-Forged Aluminum Wheels, or Spoke-Styled Wheels
- 8 Wheel Covers** — Your choice of regular wheel covers or color-keyed styled wheel covers adds a distinctive touch to your new Spirit
- 14 Sport Steering Wheel** — This leather-wrapped 3-spoke wheel delivers a custom look to Spirit's interior. (Standard on AMX and with GT Package.)
- Spirit Rally Stripe** — Sporty accent that highlights Spirit's distinctive styling. Refer to Color & Upholstery Section for further details. Not available with Spirit GT package or 2-tone paint color

FOR HEAVY DUTY REQUIREMENTS

- Heavy Duty Battery** — Delivering 70 amps, this powerful battery produces greater starting and staying power to meet electrical accessory and other high-demand requirements.
- Heavy Duty Engine Cooling System** — Includes coolant recovery system, heavy duty radiator, flex fan, and fan shroud. Included with Four Season air conditioning
- Handling Package** — Firm, sway-free handling from this popular package. Includes HD springs, HD shocks, front and rear sway bars and unique steering gears
- Cold Climate Group** — Helps produce quicker starts, reduce battery drain and speed heater warm-up. Includes engine block heater that plugs into 110-volt outlet plus heavy duty alternator, heavy duty battery

1978 HIGH ALTITUDE PACKAGE

COMPONENTS OF PACKAGE

- Special Axle Ratio
- Special engine calibration

PACKAGE REQUIRED

The High Altitude Package is a required option for all AMC vehicles sold for principal use in counties wholly situated at elevations above 4,000 feet (1,219 meters). This regulation does **not apply to California** vehicles which must meet California requirements. High Altitude Package is a freely available option and may be ordered on vehicles under 4,000 feet. According to the U.S. Geological Survey, 166 counties are wholly above 4,000 feet elevation. **For complete listing of affected counties, contact your local AMC dealer.**

CALIFORNIA REQUIREMENTS

As in the past, vehicles destined for sale and registration in the state of California must be equipped with the optional "California Emission System and Factory Testing", which requires a special selection of engine/transmission/axle combination.

FOR YOUR COMFORT AND CONVENIENCE

The Roof Rack — A highly-popular and practical styling touch, it increases cargo-carrying capacity of the Spirit sedan.

Tailgate Air Deflector — Directs stream of air over the lift window of the sedan to help keep it free from dust and dirt. Its chrome-finished exterior adds a nice styling touch

1 **Electronic Cruise Control** — Allows you to hold a steady speed without using the accelerator pedal. Disengages with a touch on the brake pedal. Provides driver comfort and helps fuel economy in long-distance highway travel. Available with 6- or 8-cylinder engine and automatic transmission only

2 **Visibility Group*** — Dual remote control mirrors and 12-inch day/night rearview mirror. Enjoy a greater area of visibility to the rear, more convenience and security when passing or backing up. Night switch offsets headlight glare

Left Remote Control Mirror — Conveniently adjusts to a variety of positions with inside driver control

3 **Light Group*** — Dome map light, glove box light, engine compartment light and courtesy lights

Extra-Quiet Insulation Package** — Cargo floor carpeting and sound deadeners, rear floor insulation, cowl panel side insulation, lock pillar insulation and sound-deadening undercoating help eliminate engine and road noises for even more quiet comfort

4 **Convenience Group*** — Makes your driving more pleasant and convenient. Includes headlights-on warning buzzer, dual lighted visor vanity mirrors, intermittent wipers

5 **Adjustable Tilt Steering Wheel*** — Adjusts to six different driving positions for every driver's individual comfort. Adjusts up and out of the way for easier entry and exit

6 **Four Season Air Conditioning** — AMC's factory-installed system provides year-round comfort for one and all. Features adjustable louvers and selective air volume and temperature controls. Includes Heavy Duty Engine Cooling System and full-width parcel shelf under the instrument panel. Tinted Glass (all windows), Power Steering and 258 CID Six engine recommended

Air Conditioning Package — A complete package for more efficient cooling. Includes Four Season air conditioning, heavy duty engine cooling system, flex fan, tinted glass and power steering

Tinted Glass - All Windows — Screens sun's heat and glare from vehicle interior for more driver-passenger comfort. Recommended with air conditioning

Power Steering* — Easier maneuvering at slow speeds and while parking. Delivers responsive road feel at higher speeds

Electric Rear Window Defroster — With a convenient driver-area control, you quickly defog or clear snow and ice from rear window for improved visibility. Includes heavy-duty alternator and tinted rear glass

Power Front Disc Brakes — Surer stops in all kinds of weather. Eases brake pedal effort required from standard front disc brakes

Front Seat Console* — Provides armrest comfort. Available with bucket seats and floor-mounted transmission only

Moon Roof — View the sky through a tinted glass panel and pop it up for ventilation or remove it entirely using the convenient hold-down straps and cover for storage

FOR YOUR LISTENING PLEASURE

AM/FM Stereo/CB Radio — Full-bodied, push-button stereo sound combined in a single in-dash unit with the fun of 40-channel CB transmitting and receiving. Wherever you go, the world of sound and communication is yours. Includes four speakers for optimum stereo sound balance

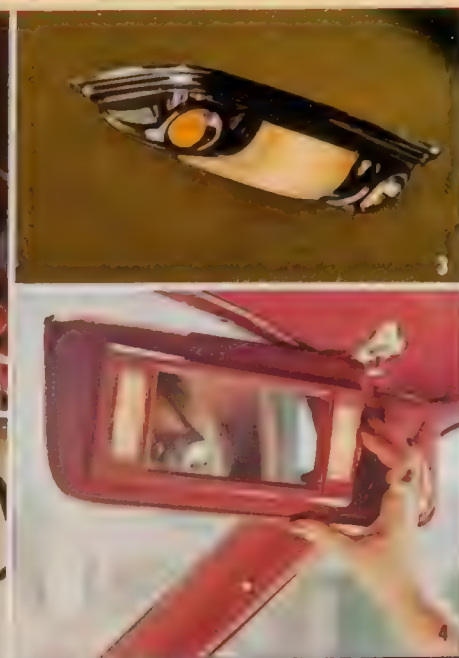

6 **AM/FM Stereo Radio** — Static-free, drift-free, long-range reception enhances your listening and driving enjoyment. Features stereo and front to rear balance control, four flush-mount speakers and FM stereo indicator light

FOR PERFORMANCE TO MEET YOUR NEEDS

TO HELP PROTECT YOUR SPIRIT

Bodyside Scuff Moldings — Protective side moldings add accent styling to your doors and fenders while helping to ward off parking lot dings and dents, and prevent paint damage.

FOR HEAVY DUTY REQUIREMENTS

Optional Engine Choices — For increased power, choose the 258 CID 6-cylinder engine (shown) or the 232 CID, 6-cylinder.

Locking Gas Cap — Chrome-finished locking gas cap prevents unwanted entry to your fuel supply. Lock and key arrangement permits quick access for refueling.

Front Bumper Guards — Helps protect your chrome-finished front bumper against possible scratches and other slight damage from minor bumps. Standard on DL models.

Protection Group* — Door edge guards, front bumper guards, front and rear nerfing strips and front floor mats. A lot of protection that quickly pays for itself.

Protective Inner Coating — Provides additional corrosion protection. Process consists of application of a corrosion inhibiting film to the following body panels and chassis components: hood inner panel, fender reinforcements, wheelhouses, headlight areas, door posts, doors, rocker panels, underbody, rear quarter panel, chrome trim and molding areas, liftgate, brake master cylinder, radiator side panels, upper control arms

FOR ADDED GOOD LOOKS

Road Wheels — Make your new Spirit even more striking with your choice of Turbocast II Aluminum Wheels, Turbine-Forged Aluminum Wheels, or Spoke-Styled Wheels.

Sport Steering Wheel — This leather-wrapped 3-spoke wheel delivers a custom look to Spirit's interior

Wheel Covers — Your choice of Argent styled wheel covers or color-keyed styled wheel covers adds a distinctive touch to your new Spirit.

Spirit Rally Stripe — Sporty accent that highlights Spirit's distinctive styling. Refer to Color & Upholstery Section for further details.

Heavy Duty Battery — Delivering 70 amps, this powerful battery produces greater starting and staying power to meet electrical accessory and other high-demand requirements.

Heavy Duty Engine Cooling System — Includes coolant recovery system, heavy duty radiator, flex fan, and fan shroud. Included with Four-Season air conditioning.

Handling Package — Firm, sway-free handling from this popular package. Includes front and rear sway bars.

Cold Climate Group — Helps produce quicker starts, reduce battery drain and speed heater warm-up. Includes engine block heater that plugs into 110-volt outlet plus heavy duty alternator, heavy duty battery

Twin Grip Differential — Automatically transfers driving torque to the rear wheel with the better traction. Helps overcome the effect of wheel spin in mud, snow and ice conditions.

Gauge Package — Includes performance-oriented gauges for precise monitoring of amps, oil pressure and manifold vacuum, plus tachometer and clock (Requires 6- or 8-cylinder engine, bucket seats and console.)

Options & Accessories

Concord
Specifications

FOR YOUR COMFORT AND CONVENIENCE

- 1 **Electronic Cruise Control** — Allows you to hold a steady speed without using the accelerator pedal. Disengages with a touch on the brake pedal. Provides driver comfort and helps fuel economy in long-distance highway travel. Available with automatic transmission only. (Not available with 4-cylinder engine.)
- 2 **Visibility Group*** — Dual remote control mirrors and 12-inch day/night rearview mirror.
- 3 **Four Season Air Conditioning** — AMC's factory installed system features adjustable louvers and selective air volume and temperature controls. Includes heavy duty engine cooling system and full-width parcel shelf under the instrument panel. Tinted glass (all windows) and power steering and 258 CID six engine recommended.

Air Conditioning Package — A complete package for more efficient cooling. Includes Four Season air conditioning, heavy duty alternator and engine cooling system, flex fan, tinted glass and power steering.

- 4 **Convenience Group*** — A group of extras which make your Concord more pleasant to be in, more enjoyable to drive. Includes intermittent wipers, headlights-on warning buzzer, and dual lighted visor vanity mirrors.

Extra-Quiet Insulation Package** — Cargo floor carpeting and sound deadeners, rear floor insulation, cowl panel side insulation, lock pillar insulation and sound-deadening undercoating help eliminate engine and road noises for quiet comfort.

- 5 **Adjustable Tilt Steering Wheel*** — Adjusts to six different driving positions for every driver's individual comfort. Adjusts up and out of the way for easier entry and exit.

Electric Rear Window Defroster — With a convenient driver-area control, you quickly defog or clear snow and ice from rear window for improved visibility. Includes heavy-duty alternator and tinted rear glass.

- 6 **Electronic Digital Clock**** — Easy-to-read glowing digits plus quartz accuracy. Not available with tachometer.

Tinted Glass - All Windows — Screens sun's heat and glare from vehicle interior for more driver-passenger comfort. Recommended with air conditioning.

Power Steering* — Easier maneuvering at slower speeds and while parking. Delivers responsive road feel at higher speeds.

Power Front Disc Brakes — Surer stops in all kinds of weather. Eases brake pedal effort required from standard manual front disc brakes.

- 7 **Light Group*** — Includes dome/map light, engine compartment light, rear door switches (Concord 4-door Sedan and Wagon), dome light liftgate switch (Concord Hatchback and Wagon) and courtesy lights.

- 8 **Roof Rack and Tailgate Air Deflector** — A highly-popular and practical styling touch for wagons, it offers additional cargo-carrying capacity when desirable. Tailgate air deflector directs a continuous air stream across the rear window to help keep it free from dust and dirt. Aids rear visibility. Available on Concord Wagon only.

FOR YOUR LISTENING PLEASURE

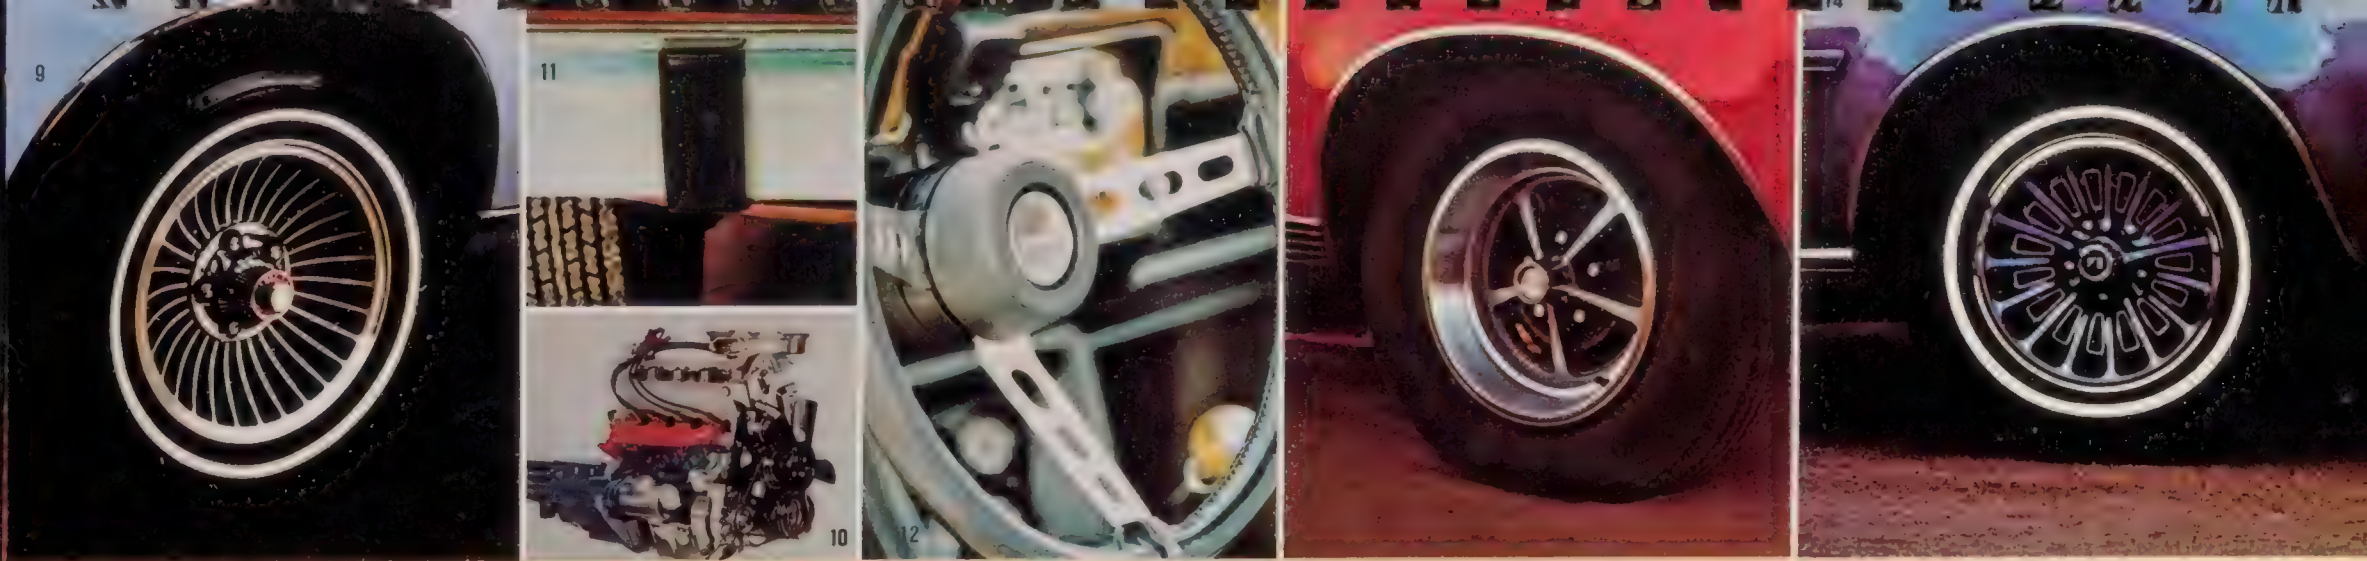

AM/FM Stereo/CB Radio — Full-bodied push-button stereo sound combined in a single in-dash unit with the fun of 40-channel CB transmitting and receiving. Wherever you go, the world of sound and communication is yours. Includes four speakers for optimum stereo sound balance.

- 3 **AM/FM Stereo Radio** — Static-free, drift-free, long-range reception enhances your listening and driving enjoyment. Features stereo and front-to-rear balance control, four flush-mount speakers and FM stereo indicator light.

AM Radio* — Push-button, favorite-station convenience paired with reliable all-transistor design. Features automatic gain control to minimize fading.

*Standard with Concord Limited
**Standard with DL and Limited

FOR PERFORMANCE TO MEET YOUR NEEDS

Twin Grip Differential — Automatically transfers driving torque to the rear wheel with the better traction. Helps overcome the effect of wheel spin in mud, snow and ice situations.

Steel or Glass* Belted Radial Tires — Greater traction, smoother running and improved fuel economy are yours . . . plus longer tire life, too. Available in blackwall or whitewall styles.

- ⑩ **Extra Power Engines** — For additional power and performance, choose from two optional powerplants: the 258 CID 6-Cylinder* or the 304 CID V-8. (Not available in California.) For 4-cylinder economy, not available for wagon models, choose the 121 CID Four cylinder.

FOR EXTRA PROTECTION

- ⑪ **Front Bumper Guards** — Protect your chrome-finished bumpers against possible scratches and

other slight damage from minor bumps and scrapes.

Hidden Compartment — Removable, molded plastic cover mounted neatly behind rear seat quickly converts rear cargo area into a lockable security area for valuable possessions. Includes rear area carpeting. (Concord Hatchback only.)

Protection Group* — Stainless steel front and rear door edge guards, front bumper guards with nerfing strips and inside floor mats. A lot of protection that can easily pay for itself

Power Door Locks* — Convenient unlocking and locking control of all doors from driver's side or front passenger side

FOR ADDED GOOD LOOKS

- ⑨ **Road Wheels** — Choose from two for the road Turbine-Forged Aluminum Wheels or Spoke-Styled Wheels

- ⑫ **Sport Steering Wheel** — This slotted, 3-spoke wheel adds a distinctive touch to your car's interior with leather wrapping. A luxury woodgrain steering wheel, standard with Limited, is an available DL option.

- ⑭ **Styled Wheel Covers** — Make your new Concord even more striking with Argent or color-keyed styled wheel covers.*

Cold Climate Group — Helps produce quicker starts, reduce battery drain and speed heater warm-up. Includes engine block heater that plugs into 110-volt outlet plus heavy duty alternator, heavy duty battery

FOR HEAVY DUTY REQUIREMENTS

Handling Package — Includes front and rear sway bars for improved handling

Heavy Duty Engine Cooling System — Includes cooling recovery system, heavy duty radiator, flex fan and fan shroud. Included with Four Season air conditioning

Heavy Duty Battery — Delivering 70 amps, this powerful battery produces greater starting and staying power to meet electrical accessory and other high-demand requirements

- Windshield and rear window surround moldings

*See California Requirements and Engine/Transmission/Axle Ratio Availability

1978 HIGH ALTITUDE PACKAGE

COMPONENTS OF PACKAGE

- Special Axle Ratio
- Special engine calibration

PACKAGE REQUIRED

The High Altitude Package is a required option for all AMC vehicles sold for principal use in counties wholly situated at elevations above 4,000 feet (1,219 meters). This regulation does **not apply to California** vehicles which must meet California requirements. High Altitude Package is a freely available option and may be ordered on vehicles under 4,000 feet. According to the U.S. Geological Survey, 166 counties are wholly above 4,000 feet elevation. **For complete listing of affected counties, contact your local AMC dealer.**

CALIFORNIA REQUIREMENTS

As in the past, vehicles destined for sale and registration in the state of California must be equipped with the optional "California Emission System and Factory Testing", which requires a special selection of engine/transmission/axle combination.

CONCORD ENGINE/TRANSMISSION/AXLE RATIO AVAILABILITY

Engine	Transmission	Axle Ratio	
		49 State and Canada*	California
121 CID Four†	4-Speed Floor Shift Automatic Column Shift	3.31 (3.31) 3.58	3.58
232 CID Six	4-Speed Floor Shift Automatic Column Shift Automatic Floor Shift	2.53 2.53 ² 2.53 ²	
258 CID Six	4-Speed Floor Shift Automatic Column Shift	2.53 (2.53) 2.53 (2.73)	3.08
304 CID V-8	Automatic Column Shift	2.56 ² (2.87)	

† Not Available on Wagon Models

² 2.73 Axle on Wagon Models

³ When Twin Grip is ordered with 304/Automatic, 2.87 axle replaces 2.56

*Axle Ratios listed in parentheses are used when "Altitude Driveability" option is specified. Engines used on that option receive unique calibration. Powertrain combinations which do not have an axle ratio listed in parentheses are not recommended for vehicles principally operated at high altitude.

CONCORD ENGINE SPECIFICATIONS

PACER LIMITED

The ultimate Pacer is yours in a hatchback or wagon model. Distinctively yours. In addition to (or in place of) DL model equipment:

- Power steering
- AM radio
- Power windows
- Power door locks
- Luxury woodgrain steering wheel
- Tilt steering wheel
- Leather/cord individual reclining seats
- Center armrest

- 18-Ounce carpeting
- Light Group
- Dual remote control mirrors
- Color-keyed styled wheel covers
- Lights-on warning buzzer
- Lighted visor vanity mirrors
- Intermittent wipers
- Limited nameplates
- Color-keyed floor mats (front and rear)

Top: Pacer Limited Wagon shown with optional roof rack, woodgrain side overlays and rear window washer/wiper.

Left: Pacer Limited interior features leather and corduroy upholstery, 18-ounce carpeting. Automatic column shift transmission is optional.

Right: Pacer Limited Hatchback shown with optional roof rack and rear window washer/wiper.

FOR YOUR COMFORT AND CONVENIENCE

Visibility Group* — Offers improved visibility on both sides and to the rear. Includes left and right remote control mirrors and 12-inch day/night mirror.

① **Electronic Cruise Control** — Allows you to hold a steady speed without using the accelerator pedal. Disengages with a touch on the brake pedal. Provides driver comfort and helps fuel economy in long-distance highway travel. Available with automatic transmission only.

③ **Moon Roof** — View the sky through a tinted glass panel and pop it up for ventilation or remove it entirely, using the convenient hold-down straps and cover for storage. Not available with Pacer wagon.

Power Steering* — Easier maneuvering at slower speeds and while parking. Delivers responsive road feel at higher speeds.

Power Front Disc Brakes — Surer stops in all kinds of weather. Eases brake pedal effort required from standard front disc brakes. (Required with V-8 engine.)

Tinted Glass - All Windows — Screens sun's heat and glare from vehicle interior for more driver-passenger comfort. Recommended with air conditioning for more efficient cooling.

Convenience Group* — A group of extras which makes your Pacer more pleasant to be in, more enjoyable to drive. Includes headlights-on warning buzzer, intermittent wipers, and dual lighted visor vanity mirrors.

④ **Four Season Air Conditioning** — AMC's factory-installed system provides year-round comfort for one and all. Features adjustable in-dash louvers and selective air volume and temperature controls. Includes heavy-duty engine cooling system, and heavy-duty alternator. Tinted glass (all windows), and power steering recommended.

Air Conditioning Package — A complete package providing complete driving comfort regardless of season. Includes Four Season air conditioning, heavy duty engine cooling system, flex fan, all-window tinted glass and power steering.

⑥ **Adjustable Tilt Steering Wheel*** — Adjusts to six different positions for every driver's individual comfort. Adjusts up and out of the way for easier entry and exit.

Roof Rack — Offers additional cargo-carrying capacity as desired, plus an additional styling touch.

⑦ **Electric Rear Window Defroster** — With just the flick of a switch, you quickly defog or clear snow and ice from rear window for improved visibility.

⑦ **Rear Window Washer/Wiper System** — Improves visibility to the rear in inclement weather. Washes and cleans just like front windshield wipers.

⑨ **Light Group*** — High-illumination lights for glove box, engine compartment, ashtray, and dome/map light make nighttime driving easier, more convenient.

flush-mount speakers, complete controls for side to side and front to rear sound balance, plus FM stereo indicator light.

⑤ **AM/FM Stereo Radio** — Static-free, drift-free, long-range reception enhances your listening and driving enjoyment. Features pushbuttons, stereo and front to rear balance control, four flush-mount speakers, and FM stereo indicator light.

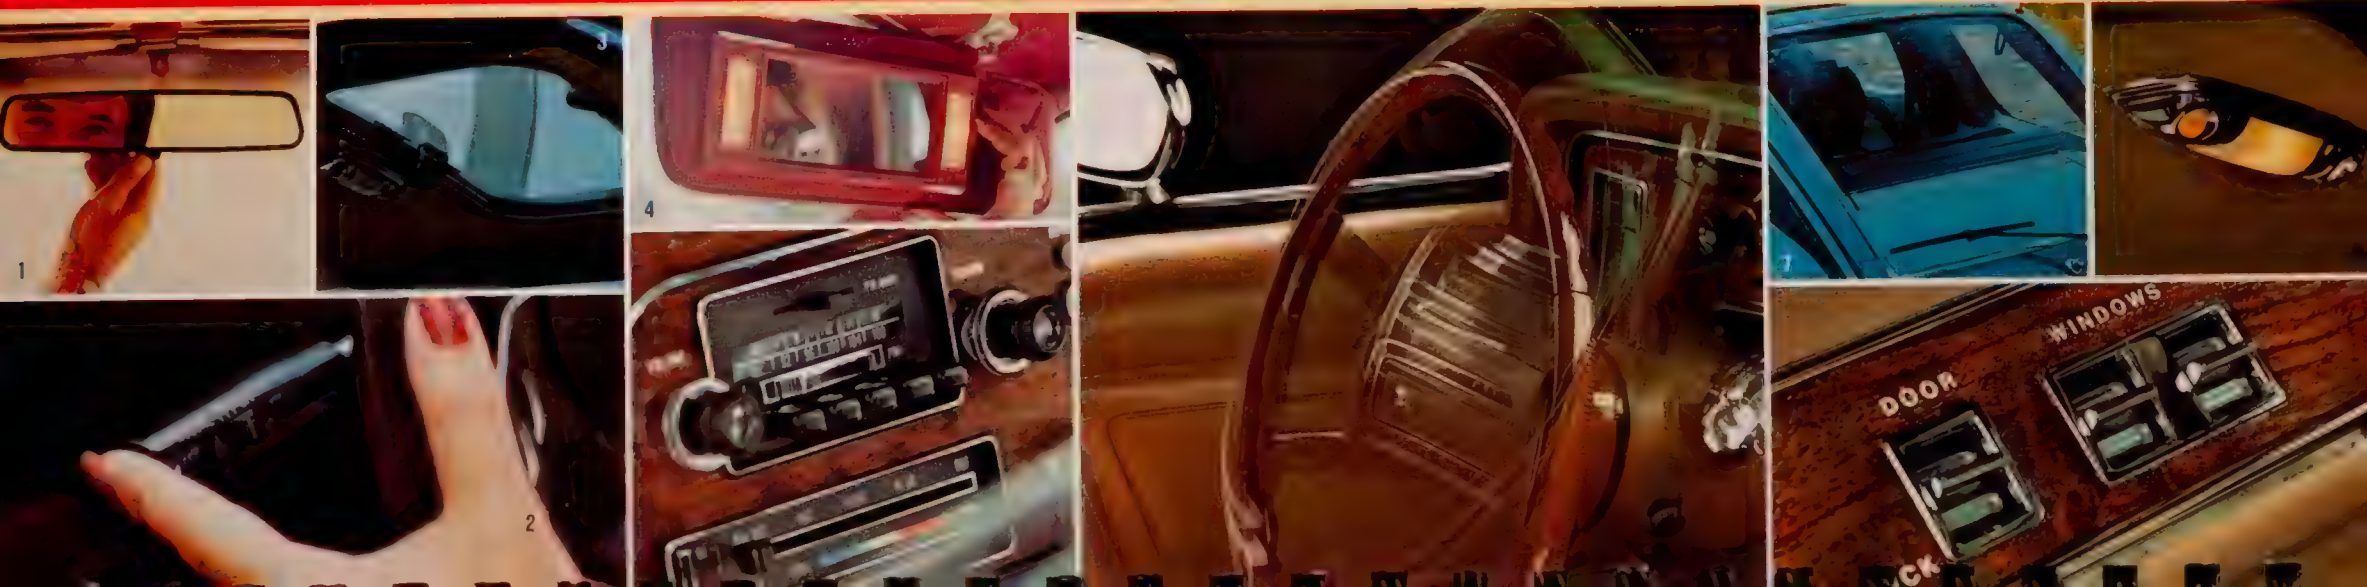

AM Radio* — Pushbutton, favorite-station convenience paired with reliable all-transistor design. Features automatic gain control to minimize fading.

FOR YOUR LISTENING PLEASURE

AM/FM Stereo/CB Radio — Full-bodied, push-button stereo sound combined in a single in-dash unit with the fun of 40-channel CB transmitting and receiving. Wherever you go, the world of sound and communication is yours! Includes four speakers for optimum stereo sound balance.

AM/FM/8-Track Tape Stereo Radio — Combines AM/FM reception with 8-track tape deck for the full, rich stereo sounds you enjoy most. Features four

*Standard with Pacer Limited

FOR PERFORMANCE TO MEET YOUR NEEDS

Steel Belted Radial Tires — Greater traction, smoother running and improved fuel economy are yours . . . plus longer tire life, too. Available in both blackwall and whitewall styles.

- ⑪ **Automatic Transmission With Floor Shift** — 3-Speed automatic transmission controlled by floor-mounted shift delivers smoothly spirited performance by automatic or manual shifting through the three forward gears.

Extra Power Engine — For additional power and performance, choose the 304 CID V-8. Requires power steering and power disc brakes. (Not available in California.)

Twin Grip Differential — Automatically transfers driving torque to the rear wheel with the most traction. Helps overcome the effect of wheel spin in mud, snow and ice conditions

- ⑫ **Gauge Package** — Performance-oriented gauges for precise monitoring of amps, oil pressure and temperature. Also includes electric tachometer

TO HELP PROTECT YOUR PACER

- ⑨ **Power Door Locks*** — Master control panels on both doors lock all doors automatically with a flip of the finger. Security and safety for you and yours (Available only with power windows.)

Locking Gas Cap — Chrome-finished locking gas cap prevents unwanted entry to your fuel supply. Lock and key arrangement permits quick access for refueling

Protective Inner Coating — Provides additional corrosion protection. Process consists of application of a corrosion inhibiting film to the following body panels and chassis components: hood inner panel, fender reinforcements, wheelhouses, headlight areas, door posts, doors, rocker panels, underbody, rear quarter panel, chrome trim and molding areas, liftgate, brake master cylinder, radiator side panels, upper control arms

FOR ADDED GOOD LOOKS

Special Exterior Colors — Looking for a rarer, more distinctive look? Consider two-tone paint. It's available

in two color configurations. Refer to Color & Upholstery Section for choices. If you are ordering a Pacer Limited without vinyl roof or two-tone, consider Misty Beige Clearcoat. A special paint process makes the color seem deeper and, since the color is actually at the bottom of a clear coat, the appearance is protected

Vinyl Roof — Elegant accent that enhances the unique design of the Pacer hatchback. Refer to Color & Upholstery Section for details. (Not available with two-tone paint on hatchback DL.)

- ⑬ **Sport Steering Wheel** — This slotted, 3-spoke wheel adds a distinctive touch to your car's interior with leather wrapping. A luxury woodgrain steering wheel standard with Limited, is an available DL option

- ⑩ **Road Wheels And Wheel Covers** — Make your new Pacer even more striking with your choice of two different road wheels. Turbine-Forged Aluminum Wheels or Spoke-Styled Wheels. Styled wheel covers. Argent or color-keyed, are also available

FOR HEAVY DUTY REQUIREMENTS

Cold Climate Group — Helps produce quicker starts, reduce battery drain and speed heater warm

up. Includes engine block heater that plugs into 110-volt outlet plus heavy duty alternator, heavy duty battery

Heavy Duty Cooling System — Includes heavy-duty radiator, viscous drive fan and fan shroud. Designed for more efficient cooling and included with Four-Season air conditioning

Heavy Duty Battery — Delivering 70 amps (56 amps with V-8), this powerful battery produces greater starting and staying power to meet electrical accessory and other high-demand requirements

*Standard with Pacer Limited

- Individual reclining seats in Caberfae corduroy or Sport Vinyl or bucket seats in Caberfae Corduroy
- Folding rear seat back
- Custom door trim panels with woodgrain accents and lower area carpet
- Walnut burl woodgrain instrument panel overlays
- Black speedometer face
- Custom steering wheel with woodgrain overlays
- Glove box lock
- Full 12 oz. color-keyed carpeting
- Rear seat armrests
- Front disc brakes
- Compact Hi-Pressure spare tire
- Day/night mirror
- Electric clock
- Inside hood release
- 21-Gallon fuel tank
- Extra-quiet insulation
- Dual horns
- Courtesy, glove box and ashtray lights
- DL medallions

- Special Axle Ratio
- Special engine calibration

The High Altitude Package is a required option for all AMC vehicles sold for principal use in counties wholly situated at elevations above 4,000 feet (1,219 meters). This regulation does **not apply to California** vehicles which must meet California requirements. High Altitude Package is a freely available option and may be ordered on vehicles under 4,000 feet. According to the U.S. Geological Survey, 166 counties are wholly above 4,000 feet elevation. **For complete listing of affected counties, contact your local AMC dealer.**

As in the past, vehicles destined for sale and registration in the state of California must be equipped with the optional "California Emission System and Factory Testing", which requires a special selection of engine/transmission/axle combination.

PACER ENGINE/TRANSMISSION/AXLE RATIO AVAILABILITY

Engine	Transmission	Axle Ratio	
		49 State and Canada*	California
258 CID Six	4-Speed Floor Shift	2.53 (2.53)	
	Automatic Column Shift	2.53 (2.73)	3.08
	Automatic Floor Shift	2.53 (2.73)	3.08
304 CID V-8	Automatic Floor Shift	2.56 ^b (2.87)	

* When Twin Grip is ordered with 304/automatic, 2.87 axle replaces 2.56

*Axle Ratios listed in parentheses are used when "Altitude Driveability" option is specified. Engines used on that option receive unique calibration. Powertrain combinations which do not have an axle ratio listed in parentheses are not recommended for vehicles principally operated at high altitude.
